MEMORANDUM FOR: Chief, SR/2

SUBJECT : Contact Report - ANKILO/2

DECLASSIFIED AND RELEASED BY
CENTRAL INTELLIGENCE AGENCY
SOURCE METHOD EXEMPTION 3B2B
NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

1. On 9 March 1962 at approximately 2100 hours, C/O [] known as [] (A), contacted ANKILO/2 via telephone at his home, 4 Summit Street, East Orange, New Jersey, Area Code 201, CR 3-4488. The purpose of the call was to arrange a meeting the following day for the purpose of debriefing Subject relative to matters of interest to the Latvian desk. Subject agreed to meet the undersigned in the lobby of the Park Sheraton Hotel at 1030 hours.

2. The meeting was held as scheduled and the debriefing was conducted in Room 342. The following items were discussed:

a. Riga Retour. The Subject's impressions of this recent book by Pavils KLANS (P), published by Helmars RUDEITIS, were interesting. ANKILO/2 feels that the book was written for ready sale by the author as a piece of sensationalism. According to ANKILO/2, RUDEITIS periodically grants stipends to two or three Latvian students studying abroad. He recalls that LAINE, the Latvian newspaper published by RUDEITIS, listed approximately two years ago the names of students to whom RUDEITIS granted aid. One of these students was [], who figures prominently in the book. [] allegedly received a \$200 to \$400 dollar stipend. The speculation that [] story to KLANS was a quid pro quo for RUDEITIS' financial help was raised. According to [], who was contacted on 29 March 1962, neither she nor [] ever received a cent for their story from the author. It is doubtful that [] would have received anything even if he did ask for it. Upon receipt of NOG's debriefing of [] re Riga Retour, other questions for the field may be forwarded regarding the above.

KRUMINS allegedly served as a radio operator in the Latvian Legion. Based on his access to Legion records, AEKIL0/2 promised, if possible, to develop further information. He was cautioned not to address any queries regarding KRUMINS abroad. (Later in the meeting AEKIL0/2 asked the C/O if he knew the identity of OSANN's Latvian cell mate based on information which he learned from the press. The undersigned disclaimed any knowledge.) AEKIL0/2 was also asked to furnish leads to anyone from Aloja, Latvia, KRUMINS' hometown, as a means to uncover persons in the West who would know something about KRUMINS' past.

(Attachment A) In addition, AEKIL0/2 has furnished as of 4 April 1962 a copy of Circular No. 11 published by KARA INVALIDU wherein an original \$2,000.00 non-interest loan by Cecilija LAPINA has been given allegedly as of 10 December 1961 to the home for invalids.
